EAGLE CANYON ADVENTURES

Eagle Canyon Adventures is Lake Superior's Circle Tour #1 Adventure Attraction. We are home to both Canada's longest suspension bridge AND Canada's longest zip line. Our bridge extends an amazing 600 feet across the canyon and hangs at the height of 152 feet above the canyon floor. If one bridge wasn't enough, we also have our smaller bridge which spans 300 feet across and 125 feet from the bottom.

CANADA'S LONGEST ZIP LINE SUSPENSION FOOT BRIDGE

Cross the suspension bridges for an unforgettable thrill or simply witness for yourself, from an eagle's perspective, the majestic span of the bridges and absorb the beauty of your unique surroundings. View the depths of the canyon where a beautiful spring-fed lake reflects the breathtaking mountain range in the distance.

Your journey doesn't end at the top. Explore our numerous wilderness trails, follow the stairs cascading into the canyon and hike along the shoreline for a complete grand tour of the grounds.

For the ultimate thrill seeker, take a ride on Canada's longest, highest, fastest and safest zip line. At half a mile long, 175 feet high and reaching speeds in excess of 45 mph, you will soar like an eagle down the centre of the canyon for an exhilarating 60 second thrill ride to the canyon floor.

Whether you are looking for the ultimate adventure or for relaxation at an outdoor paradise, Eagle Canyon is your all-in-one destination.

We are just minutes away from all the amenities the town of Dorion has to offer, and only 45 minutes East of Thunder Bay.
