Dear Governor Kemp:

As my family and I are moving from our home in Bulloch County to another community in Georgia, I hereby resign from the Bulloch County Board of Commissioners, effective Monday October 21, 2024.

I have been honored to serve the past eight years with my fellow commissioners. I am extremely proud of the accomplishments of this Board and that of Bulloch County as a whole. I am confident that Bulloch County will continue to thrive and wish all the best to the great citizens in the future.

Sincerely,

Curt Deal
