A Message from the Executive Director

As we step into the 2024 holiday season, I am filled with deep gratitude and hope for the future. Over the past year, Michael House has continued to grow and evolve, meeting the ever-changing needs of the women and children we serve. Our mission remains clear: to provide a safe and supportive environment where pregnant and parenting women can find hope, healing, and the tools they need to build independent and successful lives.

This year has been one of both challenges and triumphs. We've welcomed new families into our supportive housing, expanded our programs, and deepened our commitment to empowering women. But none of this would have been possible without the incredible support of our community. Your generosity—whether through donations, volunteer efforts, or simply spreading the word about our work—has transformed lives.

As we look forward to the year ahead, we remain committed to our vision of breaking the cycle of poverty and instability. We believe that every woman and child deserve the chance to build a brighter future, and together, we can make that vision a reality.

The holiday season is a time for reflection, gratitude, and giving. This Christmas, I invite you to join us in spreading joy to the families at Michael House. Your support not only provides essential resources like shelter, food, and counseling—it also delivers hope. It sends a powerful message to each mother and child that they are not alone, that they are valued, and that their future holds promise.

On behalf of everyone at Michael House, I want to thank you for your unwavering support. You are the heart of our mission, and together, we are creating lasting change.

Wishing you a joyful holiday season and a blessed new year ahead.

With Joy-Filled and Heart-Felt Gratitude,
Karen Kamphuis

Why Your Donation Matters

Every dollar you contribute directly impacts the lives of young mothers and their children, helping them build a safe and supportive future. Your donation helps provide essential items like shelter, nutritious meals, counselling, and skills-building programs that empower these families to thrive beyond the holidays.

Become a Michael House Angel this year

Angels are monthly donors who make a special commitment to our moms and babies.

Thank you so much!
