That the Board of Education approve Brian Lamer, Assistant Superintendent of Operations, to proceed with negotiations for a Lease Agreement for the APEX Home School Program.

BACKGROUND

APEX has been located at several churches in the area over the past 8 years. As discussed at the Board of Education Study Session on October 18, 2017, it is in the District's best interest to enter into negotiations for a lease agreement to provide a facility for the APEX Home School Program.

## MEMORANDUM

DATE: October 25, 2017

TO: Board of Education

FROM: Dr. Don Haddad, Superintendent of Schools

SUBJECT: Approval of Waiver of Board Policy KF – Community Use of School Facilities

RECOMMENDATION

That the Board of Education allow an exception to Board Policy KF – Community Use of School Facilities and, thereby, approve a waiver of fees for the 3<sup>rd</sup> Annual Red Thread Bazaar (international craft fair) on December 2, 2017 at Central Elementary.

BACKGROUND

Board Policy KF – Community Use of School Facilities states that “The separate fee structure for user groups shall ensure that the District will spend its money directly on the education of youth while promoting community use of District facilities and community involvement in the schools.”

Central Elementary would ask that the fees be waived and that vendors would make a donation of \$25 (non-Central vendor) or \$15 (Central family vendor) to Central Elementary. Central will be keeping half of the fees for their school and/or use to offset any expenses (advertising, etc.) related to the event, and the other half will be donated to the 2017 Hurricane Relief Efforts.

Central Elementary is hoping to build and foster community through the spirit of international-mindedness under the guide of our IB Primary Years Programme.

Re: Request for Waiver of Policy KF-R, Community Use of School Facilities

Central Elementary is hoping to continue to once again build and foster community through the spirit of international-mindedness under the guide of our IB Primary Years Programme with our third Red Thread International Craft Bazaar on Saturday, December 2, 2017, 9 a.m. to 2 p.m.. We want to continue instilling in our students the aspect of "action" as part of our IB curriculum.

Teaching and learning is directly related to the event through economics and what is involved in running a business. The event aligns with the Units of Inquiry of our IB Primary Years Programme that relate directly to this event: "Community", "Economic Activities", "How We Express Ourselves" (Art), "Everyone has a Culture", "Families", and "Weather". Adult and student vendors rent tables to reserve their spots at the fair. Each vendor rents (or donates) a table for \$15 (Central family vendors) or \$25 (non-Central vendor) to Central Elementary. Half of these funds are kept for our school and are used to offset expenses (advertising, etc.) related to the event; the other half will be donated to the 2017 Hurricane Relief Efforts. All vendors will profit from the goods they sell and will sign a vendor agreement ensuring they have an understanding of tax law and their own personal financial responsibilities. All vendors are required to submit samples of the items they will be selling at the bazaar for review of appropriateness in an elementary school setting.

We hope that you will again consider granting us a waiver to allow us to have this craft bazaar that is in conflict with Board Policy KF-R regarding community use of our school facility. Our past International Craft Bazaars were fun, engaging, beneficial, and educational community events that resulted in learning through action and service for our students, parents, and community.

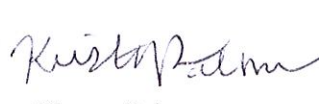

We appreciate your consideration in allowing us to conduct this event again!

## MEMORANDUM

DATE: October 25, 2017

TO: Board of Education

FROM: Dr. Don Haddad, Superintendent of Schools

SUBJECT: Approval of Request to Grant Exception to Board Policy GBEA –Staff Ethics/Conflict of Interest for Faith Halverson-Ramos

RECOMMENDATION

That the Board of Education allow an exception to the current Board Policy – Staff Ethics/Conflict of Interest. This exception would enable Faith Halverson-Ramos, a substitute teacher in the District, to provide part-time music therapy services to students at Main Street School.

BACKGROUND

Board Policy GBEA – Staff Ethics/Conflict of Interest, states, "No school district employee or firm owned by a school district employee shall be allowed to sell to the district or its schools or staff goods or services of any kind without express prior written consent of the Board of Education."

Faith Halverson-Ramos is an active licensed substitute teacher for St. Vrain Valley Schools. She is also a licensed music therapist employed by SoundWell Music Therapy, PLLC. In the role of music therapist, Faith will provide part-time music therapy services to students at Main Street School in grades kindergarten through 12<sup>th</sup> grade as an independent contractor.

Since Ms. Halverson-Ramos is a substitute teacher in the District and she also practices as a music therapist with SoundWell Music Therapy, PLLC, she is requesting a waiver from Board Policy GBEA so she can continue to deliver music therapy services to students at the Main Street School program, defined as an independent contractor with St. Vrain Valley Schools.

The administration recommends approval of this exception, which is estimated to be \$9,240 for this school year.
