

# IMPACT 6/21 SAFE DRIVING AGREEMENT

The IMPACT 6/21 Foundation was formed in 2011 to honour the memories of Jazmine Houle (15), Steven Philippe (16) and Caitlin Jelley (15), who lost their lives when they were struck by an impaired driver on Father's Day, June 21, 2009. The parents of the children along with their families, friends and volunteers with the IMPACT 6/21 Foundation urge all children and adults to put an end to impaired driving by doing everything in their power to prevent family and friends from getting behind the wheel if they are impaired in any way.

Therefore, this agreement is being signed by the parties below as a symbol of their love and commitment to each other:

## PARENT'S / GUARDIAN'S PLEDGE

I promise that I will never drive a vehicle if I have been drinking alcohol or if I am impaired in any way.

I promise that I will never get into a vehicle if I believe the driver has been drinking alcohol or is impaired in any way.

By signing this agreement, I am asking you to do everything in your power to remind me of these promises whenever you feel it is necessary and to do whatever you can to prevent me from breaking either of these two promises.

I promise that no matter what I may say to you at the time, I will always love you and be forever grateful to you for honouring your part of this agreement and I will never punish you for trying to prevent me from driving while impaired.

## CHILD'S PLEDGE

I promise to do whatever I can to prevent you from driving a vehicle if I believe you have been drinking alcohol or if I believe you are impaired in any way.

I promise to do whatever I can to prevent you from getting into a vehicle if I believe the driver has been drinking alcohol or if I believe the driver is impaired in any way.

By signing this agreement, I promise that no matter what you say or do to me at the time, I will do whatever is necessary, including what is written below, because I love you.

- Before you go out to a social function I will make you promise not to have a drink until you call me with the name and phone number of your designated driver unless you already know who that person is before you leave;
- When we go out together to a restaurant or another house for dinner or a party, I promise to remind you, in front of other people, not to have anything to drink unless there is someone else who is going to drive us home;
- I promise to hide your keys if you have been drinking and there is no designated driver;
- I promise to never get into the car with you if I feel you are impaired and, if you do attempt to drive the car, I promise that I will call 911 and report you to the police immediately in order to have them stop you;
- I promise to do anything else that is written on the back of this page in addition to the above.
