(May 15 until October 15)  
Extended hours 10am-6pm

The mine welcomes thousands of visitors annually. Pails, digging tools and running water are all available to assist with your amethyst treasure hunting.

Visitors to the Amethyst Mine Panorama can view the working amethyst mine, explore the grounds on a self-guided tour and search for that perfect amethyst cluster or garden stone to take home. The mine's gift shop boasts a large selection of amethyst products including amethyst clusters, carvings, cut gemstones, jewelry and amethyst souvenirs.

Amethyst Mine Panorama is the largest amethyst deposit in Canada. Large amounts of amethyst are mined each year to replenish the digging area. This amethyst supplies the gift shop at the mine, as well as the Amethyst Gift Centre located in downtown Thunder Bay.

Working with the natural colour and shape of the amethyst, staff expertly cut and polish the stone into beautiful amethyst products, such as clocks, pen sets, jewellery, carvings, light catchers, candle holders and other gift items. Visitors to the Amethyst Gift Centre are encouraged to ask for a free lapidary workshop tour.

## MT. MCKAY SCENIC LOOKOUT

Visit Mount McKay Scenic Lookout and explore the age old Indian legends and traditions of our area. Towering 1,000 feet over the city, Mount McKay is a must on your list of attractions. At the 500 ft. level the lookout offers a magnificent panorama with a viewing scope for a closer look and new skyline walkway with a great picnic area snack bar. Thunder Mountain was the original name for Mount McKay. Here, traditional native gatherings were held on this sacred ground. Prior to the development of road access to the lookout only traditional native people were allowed access to the grounds, which is considered a nesting area for the Anemki or Thunderbird. A large white cross has been placed on a mountain ledge to commemorate Indian people who have served our country in time of war.

For more information contact Fort William First Nation Tourism 807-623-9543 or 807-622-3093. Located on Highway 61B.

# Christi Belcourt

June 22 - November 25, 2018

Christi Belcourt, *Offerings to Save the World*, 2017, acrylic on canvas, 149 x 194 cm, Collection of the Artist

Christi Belcourt, *Four Cedar Waxwings*, Acrylic on Canvas, 76 x 64 cm, Private Collection

Opening this month at Thunder Bay Art Gallery is a major mid-career exhibition by popular Métis artist Christi Belcourt. People love Belcourt's large canvases which echo traditional Métis beaded designs. Her sinuous paintings are executed principally in tiny dots made by dipping the end of a stylus, paintbrush or knitting needle into paint. The time and stamina required by this technique speak to this prolific artist's energy and commitment.

In all her work, Belcourt expresses her deep respect for Mother Earth, as well as the traditions and the knowledge of her people.

Belcourt is also known as an environmental activist and advocate for water, land, and the preservation of Indigenous languages. She is the guiding force in the Ontario-based Onaman Collective which shares Indigenous traditional knowledge and

language with youth. Through all aspects of her art practice, Belcourt aims to guide us – with urgent passion – to live in balance with nature.

About 35 works from 1993 to the present are included in this must-see exhibition, which runs June 22–November 25, 2018. Organized by Thunder Bay Art Gallery with Carleton University Art Gallery (Ottawa), the exhibition will tour nationally to galleries in Ottawa, Joliette, Regina, and Winnipeg until 2020.
